91	Prevents taxes on gasoline from being transferred from the General Fund under specified conditions.	Prop 1A passed in 2006, and did all of this. Nobody is in favor of this proposition – not even its initial proponents. “NO” is the only sensible vote.		No	No	No	No		No	No
92	Minimum funding level for community colleges; reduces fees from \$20/unit to \$15, effectively permanently; changes community college governing board.	More ballot box budgeting. Not all community college leaders favor. Fees are the least significant cost of attending colleges (think books, transportation, housing).
