Prelude *Artist of My Soul* Connie Jones
by Rick Vale

Gathering Song *As We Gather* by Coomes & Fay
As we gather may your Spirit work within us
As we gather may we glorify your name
Knowing well that as our hearts begin to worship
We'll be blessed because we came
(Repeat)

Welcome Rugee Gimarino

Call to Worship Rugee Gimarino
One: From our fragmented personal worlds, we gather here to seek wholeness.
Many: From the feelings of isolation and loneliness, we come here to feel connectedness.
One: From the vast evils in the world, we seek here to relate to what is good.
Many: From the tempting idols of the mind and the confusion of the spirit, we would find here something of meaning.
One: From the proclamations of doom on every hand, we would find here what is hopeful.
Many: From thoughtless non-caring, we would be charged here with the spirit of vital faith in ourselves and love for our human family.

Hymn *I Am the Light of the World* (NCH #584)
by Jim Strathdale

Chorus:
I am the light of thw world! You people come and follow me!
If you follow and love you'll learn the mystery of what you were
Meant to do and be.

Verses:
To find the lost and lonely one, to heal the broken soul with love,
To feed the hungry children with warmth and good food,
To feel the earth below, the sky is above.

To free the prisoner from all chains, to make the powerful care,
To rebuild the nations with strength of good will,
To see God's children everywhere!

To bring hope to every task you do, to dance at a baby's new brith,
To make music in an old person's heart, and
Sing to the colors of the earth!

Anthem *Change is Gonna Come* Jocelyne Ramirez

thy will be done on earth as it is in heaven. Give us this day our
